Congratulations to Ronnie Wood who made a Hole-in-One on February 2, 2019. Ronnie made the ace on the 3rd hole with a pitching wedge; he was playing with his wife Mimi. This is the first Hole-in-One made since late July; when Ace's were plentiful for a 6 week period.

Please join us in welcoming our newest Member Jonathan Morrison and family to Elm Lake.

Final Month for Punch Pass Sales

This winter we are again offering our 10 rounds for \$250, valid ANY day and ANY time in 2019. 10 round passes can be purchased any time *before* March 1, 2019. These are sold as 18 hole rounds, not to be split into 9's.

Please make sure to check out usga.org for the new modernized 2019 Rules of Golf. [Click this link for video tutorials on the rules.](#) As of January 1st these rules are now in effect.

Thank you to everyone who participated in The Golf Fix event on February 2nd. We had a great turnout and we look forward to hosting another fitting event in a couple months.

Elm Lake has put together a Tournament Committee consisting of 5 members. The goal of this committee is to bring new ideas and events to Elm Lake over the coming years. The first change made is to the club championship. In 2019 the Elm Lake Club Championship will be held on the weekend of July 12-14. This year's event will be a 36 hole stroke play competition with 1 round being played on Saturday and 1 on Sunday. Tee Times on Saturday will be from 8-10am and Sunday from 12-2pm. We will hold a Calcutta on Friday night at 6:30pm in Tee's. Please see the golf shop for more information on this event. A firm signup deadline will be July 5th.

The Elm Lake Board has made the decision to renovate the on-course restrooms. These renovations will begin right away with fundraising efforts for this project to follow. We appreciate any financial help you can offer to this project!! As soon as the ground dries up we are ready to pour the slab(s) so we can begin construction. The buildings will be 9x9, made of cinderblock with a metal roof.

Are there any changes you would like to see made to Elm Lake? If so, please send your comments to a board member or to jhanko@pga.com. We want Elm Lake to be the best it can be, so we value your input greatly!

From the Course

We are losing our course mechanic. If you know of a mechanic that is golf knowledgeable please let Joseph or Levi know. We wish CJ Young and his family all the best as he begins his new position on January 7th.

Winter projects are underway on the course when weather permits. Mainly irrigation and tree trimming are on the docket for this winter, and there are plenty of both that need attention. Please be mindful of the crew if they are in an irrigation hole or running a chainsaw.

Wet weather is obviously here and with it is going to come times of cart path only. Please understand the need for cart to remain on the path. If you request special (handicap) cart permissions that is possible on certain days. You will need to get permission from the golf shop if you think it may be dry enough for you. Frost delay are also possible during the winter

months. Please do not proceed to the course on cold mornings until the staff has given the all clear. Thank you all for your understanding.

From Tee's

New Hours for Winter Season

Monday-Friday 11:00-2:00

Wednesday-Friday 4:30-9:00

Closed on Saturday and Sunday
