Congratulations to Bob Wade on making a Hole-In-One on the 15th hole. One June 25th Bob made the ace while playing with John Rogowski and Al Bordelon with his 7 iron. Bob was in the HIO club and the Ace won him \$300. If you would like to join the HIO club the cost is \$10. Congratulations Bob Wade!!

Welcome New Members!!

Please join us in welcoming our newest golfing members Lee Bates, Ron Grantham and Michael Wyers to Elm Lake.

The Battle of the Ages event will take place on Saturday, August 10th at 9:00am. This Best Ball event will team you with players within your age group by decade. You will play your own ball and the low 1/3 gross scores for each hole will count toward the team score. The more players your decade team has, the more chances you have to make lower scores and throw out high ones. Get your age group to play!!

Although the new restrooms on the golf course are not complete, they are now usable. We still have some finish work to do and landscaping. Thank you for your patience on this project. We hope we can enjoy cleaner and more welcoming on-course amenities for years to come.

We would like to apologize for any confusion on the A/R statement that is automatically sent to you on the 1st day of every month. This statement that comes is something that our new POS system sends and right now we do not have a way to turn it off. We hope we can get this turned off in the future as well as e-mail notification of tee times.

From the Course

We would like to remind everyone that Par 3 holes are cart path only at all times.

Greens Airification is set for July 15th-16th. The front 9 will be closed on the 15th and the back 9 on the 16th. Guests can enjoy discounted greens fees during aerification and the days following.

While the golf course is a bit less playable on Tuesday (back 9 closed and the front 9 freshly airified), we would like to invite everyone to help fill divots. Please meet at your normal tee-time and gather for a couple hours to fill divots in the fairways. A few hours help from everyone will go a long way in helping the course.

The fescue-grass areas by #'s 1, 10 and 18 are looking really good and we are pleased with the look and playability of it thus far. This fall we are planning on planting more areas like this around the course. In August you will start to see round-up in some areas as we prep for the seeding in the fall months.

Tee's Bar and Grill

Tee's will be closing on Sundays starting June 30th. This business decision is based on Sunday sales over the previous year. We will be open for

business on Wednesday through Friday, 11am-2pm & 4:30pm-9pm, and Saturday 11am-9pm. We look forward to serving you during one of these times. Thank you for your patronage. You are the sole reason we are here, and we hope to continue to serve you and your family great food throughout the years.
