Important Info:

This is a 2-day event consisting of 18 holes per day. In the event of bad weather, we will not move the tournament dates. We will do our best to get in 36 holes, however, MHSAA rules stipulate if rain interrupts play and the tournament cannot continue, scores will be taken through the last completed nine holes (9, 18, 27, 36). Spectators must remain on or near the cart path at all times and approximately 20 yards from the players at all times. There should not be any communication with/between player and spectators that could be deemed as advice.
